13 *NEAL HELMS*, }  
14 Defendant. }  
15

Case No.: *EDCR 09-13-*  
*VAP*

ORDER OF DETENTION

16 On motion by the government for pre-trial detention, the Court finds that no  
17 condition or combination of conditions will reasonably assure the appearance of  
18 defendant as required (~~or the safety of any person or the community~~). *J*

19 The Court has considered the nature and circumstances of the offense(s); the  
20 weight of evidence against the defendant; the history and characteristics of the  
21 defendant; and the nature and seriousness of the danger to any person or the  
22 community *as set forth in 18 USC § 3142(g)*. *J*

23 The Court bases the foregoing findings on the defendant's non-objection to pre-  
24 trial detention and the Pretrial Services Report/Recommendation. (The defendant also  
25 has not rebutted the presumption provided by statute) *J*

26 IT IS THEREFORE ORDERED that defendant be detained without prejudice prior  
27 to trial/revocation hearing. *J*

1 IT IS FURTHER ORDERED that defendant be committed to the custody of the  
2 Attorney General for confinement in a corrections facility separate, to the extent  
3 practicable, from persons awaiting or serving sentences or being held in custody  
4 pending appeal; that defendant be afforded reasonable opportunity for private  
5 consultation with counsel; and that, on order of a Court of the United States or on  
6 request of any attorney for the government, the person in charge of the corrections  
7 facility in which defendant is confined deliver defendant to a United States Marshal  
8 for the purpose of any appearance in connection with a Court proceeding. This order  
9 is made without prejudice to reconsideration.
